

Dear Parent/Guardian,

Kerang Technical High School is looking forward to another great year of teaching and learning and would like to advise you of the voluntary financial contributions schedule for 2022.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school, your support in 2021 allowed us to:

- Offer a wide range of subjects and special curriculum experiences for our students across all year levels
- New upgrade of Hall stage curtains and blinds
- Upgrade and purchase of additional IT devices for student loans during Covid lockdowns
- Refurbishment of school grounds, with particular focus on the courtyard area outside the canteen

Please find below Kerang Technical High Schools voluntary financial contributions schedule for 2022, which includes an overview of what your contributions will contribute towards.

Department of Education guidelines now mandate that schools are UNABLE to provide parents with a statement of fees. With this in mind, parents are asked to please review the recommended voluntary financial contributions schedule below for an indication of recommended contributions for your child/ren.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Dean Rogers
Principal

School Council President

These are provided on a user-pays basis. Details of these items and activities will be provided to students and families throughout the year.

Vocational Educational Training (VET)

From 2022, the Department will reimburse VET material fees to government schools to address the cost barrier for families. This funding covers the costs of:

- Materials required for training and assessment that are consumed and cannot be recycled. **Please note students may wish to upgrade materials for certain projects (i.e. upgrade from pine to mahogany). Any upgrade from the materials provided by KTHS is considered an OPTIONAL ITEM, as per the description above.**
- Safety items worn or used by the student including safety glasses, hearing protection, gloves, hair nets.
- Workbooks, handouts, photocopying, online learning resources
- Class sets, intended to be returned and retained by the school, such as textbooks, tools, tool belts, specialist knives, aprons

However, this funding does not cover all costs associated with the facilitation of VET classes. The payment of the following costs are supported by Voluntary Financial Contributions from families, as detailed in the 2022 VOLUNTARY FINANCIAL CONTRIBUTIONS SCHEDULE above:

- Transport costs and hire of specialized facilities required for training or assessment
- PPE worn and retained by the student
- Online registration/subscription fees, platform charges, software
- Tuition fees, registration, and administration fees
- Tools upgrade or purchase initiated by the parent

Educational items for students to own

A booklist outlining items the school recommends for each student will be sent home with students prior to the end of Term 4. A letter confirming individual 2022 course selections will also be sent home with each student, providing clarification on which subjects your student will require booklist items. KTHS is happy to partner with Kerang Computer and Office Solutions (KCOS) for supply of discounted booklist items your child to individually own and use, however families are welcome to source items from other companies as they choose.

KCOS are experiencing ongoing issues with the processing of credit card payments with cards that have an expiry of 2 years in advance. For example, if you pay for your order in December 2021 and your card has an expiry date of January 2024, you will receive an "incorrect expiry date" error and the payment will not be processed. If you receive this error, please contact Kerang Computers & Office Supplies immediately (03) 5452 2877. Unfortunately, this is an error experienced at a bank level, which KCOS is unable to rectify.
