Term 3 Semester 2.

Vol. 29

15th September, 2023

## PRINCIPAL'S REPORT

### RUOK? Day:

On Thursday, 14th September, it was National Day for RUOK?. To acknowledge the day a lot of activities were organised by the Wellbeing team led by Sharon Champion and by Ms Ferrier's Year 10 Health Class. Activities included Connect 4, sausage sizzle, raffles and other street games. Representatives from Northern District Community Health, Head Space, the Police and the community were also present to help get the RUOK? message out.

RUOK? is an important opportunity to remind everyone that every day is a day to ask, 'Are you OK?' and start a meaningful conversation with someone you notice might be struggling with life. This year's theme is "I'm here to hear", reinforcing the fact that you don't need qualifications to talk with someone about mental health. A conversation really could change a life. We can all make a difference when someone in our world is struggling with life's ups and downs by helping them feel connected and supported, no matter what they might be facing. Here's the best way to approach a conversation:

#### 1. Ask yourself: AM I READY TO HAVE THIS CONVERSATION?

- Am I in a good headspace?
- Am I willing to genuinely listen?
- Can I give as much time as needed?

#### 2. Ask yourself: AM I PREPARED?

- Do I understand that if I ask how someone's going, the answer could be: "No, I'm not"?
- Do I understand that I can't 'fix' someone's problems?
- Do I accept that they might not be ready to talk? Or they might not want to talk to me?

#### 3. PICK YOUR MOMENT

- Choose somewhere relatively private and comfy
- Figure out a time that will be good for them to chat
- Make sure you have enough time to chat properly

### OUTDOOR TABLE TENNIS:

The school recently installed an outdoor table tennis table for student activity during Recess and Lunchtimes. With the warming weather it has become a major draw card with it being utilised right through recess and lunchtimes. Aside from the activity of playing, another added benefit has been to see how the students organise themselves make sure everyone gets a go. Another table is nearly ready to be installed.

### INTERIM REPORTS:

Interim Reports went live on XUNO yesterday. As the name suggests, these reports provide a snapshot on how your student(s) have performed since the last Semester report. It is intended as a comment on their attitude and application to the classroom work. Please have a look to see if there is anything that concerns you or you want explained, don't hesitate to contact the school. Alternatively, you could use the Interim Report results to guide your conversations with staff at the Parent Teacher interviews. As these Interim Reports are the precursor to the staff student interviews that happen early next term, the interviews provide the opportunity to discuss and set out a plan early enough for students to make necessary changes to improve their outcomes.

### TERM 3 BREAK:

Following on from the RUOK message please make sure that you take the

The shared vision of Kerang Technical High School is to provide our students with a quality education for the future in an inclusive and supportive environment.

chance to re-energise but that you do it safely looking after yourself and your friends.

To the Year 12 students, use this time wisely for study.

Year 12 teachers are making themselves available during the holidays to provide study lessons.

This is a good way to keep the study habits ticking over, brush up on some work done earlier in the year and prepare for the end of year exams.

Once you get back, there is only three weeks of school left before the exams. Have a good holiday!

## **OUR VALUES**

- RESPECT**
- RESPONSIBILITY**
- RESILIENCE**

In a world where accidents and emergencies are unforeseeable, possessing the ability to provide immediate care can mean the difference between life and death. World First Aid Day is a global initiative to save lives and promote health and is held on the 2nd Saturday of September.

*First aid plays a crucial role in emergency medical situations and can prove to be lifesaving in case of heart attacks, seizures, strokes, road accidents, choking, drownings, etc. It could be a set of life-saving techniques or basic medicines for certain illnesses, and bandages.*

**Book into a First Aid Course and learn how to use an AED (Automated External Defibrillator)**

It is important to have knowledge and awareness about things like CPR, Choking, controlling bleeding, using an AED, burns, how to take care of snake bites, etc. First aid can be provided by a bystander, a family member, or a colleague. In case of a sudden injury or illness, bystanders may play an essential role before the arrival of ambulance or admission to a hospital. The 2023 First Aid theme is, "First Aid in the Digital World" To help promote the utilisation of digital tools (mobile apps and online videos and courses) and its resources.

**Even though emergency situations vary widely, the following 4 fundamental steps always apply: Ensure area is safe. Evaluate injured person's condition. Seek help. Provide First Aid.**

*Cheers Meg*

**Emergency plus App**

*Emergency plus* was developed by Australia's Emergency Services and their Government and Industry partners. The app uses the GPS functionality so callers can provide emergency call-takers with their location information as determined by their smart phone. It also includes SES and Police Assistance lines numbers as options, so non-emergency calls are made to the most appropriate number. This App will use any phone network but doesn't work without an active phone network.

# CANTEEN NEWS

This year a couple of changes have been made to the operation of the Canteen. To assist with service at the canteen students from Year 11 and Year 12 will be helping Recess and Lunchtime. We trialled this last year with the Year 12's and it worked well. (All students are reminded of their day/time duties via Xuno and there is an enlarged copy of the Yellow and Blue Week timetable roster on the Year 12 Common Room noticeboard for

their perusal.) In particular, students doing Hospitality were utilised as this gave them experience in customer service and contributed to their overall mark. Parents can still help when available and canteen staff would be appreciative of any time made for the canteen.

You can register your interest by contacting the school or talking to the Canteen Manager Lisa Petrie. It is a great way to see how the school is running and get a "feel" for the place while interacting with students and staff. Even though it is early days we have noticed a trend where students are purchasing large quantities of unhealthy foods.

To assist them with making healthy choices the school is limiting the number to two items at Recess and at Lunch.

From Monday, 6<sup>th</sup> February, the Canteen closes at 11:00am for Recess and 1:30pm for Lunch.

# BUS ZONE SIGNAGE

ANOTHER FRIENDLY REMINDER TO ALL DRIVERS REGARDING THE BUS ZONE WHICH IS SITUATED OUT THE FRONT OF OUR SCHOOL GROUNDS AS PER PHOTOS. ZONE TIMES ARE BETWEEN THE HOURS OF 8-9am AND 3-4pm. IT HAS BECOME A LITTLE BIT OF A NIGHTMARE SINCE THE START OF THE SCHOOL YEAR WITH TRAFFIC COMING AND GOING AND PLEASE BE AWARE, THE VICTORIA POLICE & SHIRE RANGER DO THEIR SURVEILLANCE AND THE FINE IS HEFTY, SO PLEASE, DO NOT DROP OR COLLECT YOUR CHILDREN BETWEEN THE DESIGNATED HOURS. *Thanking you in advance.*

# Setting the expectation for student drivers

## Welfare and safety of student drivers:

As we progress through the school year more and more of our senior students are turning 18 and beginning driving to and from school. While most young drivers are careful, safety conscious and considerate when driving, they are one of the most vulnerable road user groups. Travelling with teenage passengers adds to the risk for these young drivers. Victoria's Graduated Licensing System condition states that no more than one peer aged passenger (aged 16-22 years) is permitted to travel with the driver, unless the passengers are siblings of the driver. This condition does not apply when a person who is fully licensed is sitting in the front passenger seat.

With this in mind, the school has a responsibility to take all reasonable measures to ensure the welfare and safety of students. Our *Student Driving Policy* outlines what we expect from student drivers and copies of this may be obtained from Mr. Nathan Henry our, Senior School Leader.

A *Parent Permission and Student Agreement Form* can also be collected from Mr Henry. All student drivers and parents/guardians are required to sign this form and return it to the school. Part of this agreement is that only family members will be allowed in the car.

## Students as responsible drivers in the community:

Our school takes pride in maintaining a positive image within the local community. With an increasing number of our students driving to and from school, it is important that they recognise that any careless and unsafe driving reflects poorly not just on them personally but also on the school.

Members of the school community are encouraged to inform the school if they are aware of any students who are driving in a reckless or dangerous manner or who are not adhering to road rules. This has occurred on a number of occasions.

Any reports made will be taken seriously and investigated. If student drivers have been found to put themselves and other road users at risk, appropriate sanctions will be carried out and if necessary, the police notified.

Concern for our students' safety and welfare are paramount and we ask that the whole school community works together to achieve this end.

## Parking for students driving to school:

The school is aware that a number of senior students intend to drive to school either occasionally or on a regular basis. Students and their parents/guardians need to be aware of the school's policy with regard to the parking of student cars. **Burgoyne Street** is the designated student parking area. It is also expected that students will drive to and from school in a safe and responsible manner and adhere to road rules. If these requirements are disregarded, parents will be notified and appropriate student sanctions will apply and, if necessary, the police will also be notified.

Regards,

*Nathan Henry, Senior School Leader*

# YOUNG ENDEAVOUR YOUTH SCHEME

EXPAND YOUR HORIZONS

24 August 2023

1076/033

Careers Advisor  
Kerang Technical High School  
PO Box 201  
KERANG VIC 3579

Dear Careers Advisor,

The Young Endeavour Youth Scheme is pleased to announce that applications to join a youth development voyage in STS *Young Endeavour* in 2024 are now open!

Since 1988, more than 14,000 young Australians aged between 16-23 years have joined Australia's national Sail Training Ship *Young Endeavour* for the voyage of a lifetime. In 2024 the ship will circumnavigate Australia for the final time before the youth development program is transferred to a new, larger, state-of-the-art vessel, currently under construction.

Each voyage in STS *Young Endeavour* is a unique and challenging experience. The immersive nature of the program encourages participants to rapidly develop interpersonal, leadership and teamwork skills, and to build confidence and resilience. Opportunities to develop these skills are essential for young people, helping prepare them to take on and overcome challenges as they move into adulthood, and throughout their lives.

24 youth join each voyage, from all parts of Australia and all walks of life. Together they learn the skills to sail a tall ship – including taking the helm, handling lines, keeping watch, navigating, and climbing the 30-metre mast. Significantly, the youth crew do not have access to mobile phones or social media, allowing them to focus on the voyage and youth program. No sailing experience is required, only a willingness to join the crew and learn along the way.

The program is delivered by a professional Royal Australian Navy staff crew who ensure that the highest standards of safety are maintained. Youth crew are supported and encouraged to pursue personal and team goals, and to develop the skills, knowledge and confidence to sail STS *Young Endeavour* along the Australian coast.

You are welcome to contact our team if you have questions about the program; to obtain posters, brochures or digital marketing materials; or to arrange a presentation to your school community. Call 1800 020 444 or email [mail@youngendeavour.gov.au](mailto:mail@youngendeavour.gov.au).

To be eligible for first-round offers, applications should be submitted **by 28 September 2023**. Financially assisted berths are available to eligible youth. **Applications can be made online at [www.youngendeavour.gov.au/apply-now](http://www.youngendeavour.gov.au/apply-now).**

We hope you encourage your students to apply for this life-changing opportunity, and look forward to welcoming them on board STS *Young Endeavour*.

Yours sincerely

**Jennifer Reilly**  
Executive Director
