# TECH TALK 2024

## PRINCIPAL'S REPORT

### KANE WILSON:

Congratulations to Year 12 student, Kane Wilson, who has made the Victorian State Under 18 lawn bowls team. Kane will be representing Victoria in the Under 18's Tri Series against NSW and Qld at the Cabramatta Bowling Club. I know it has been a passion of Kane's for a number of years and that he has been experiencing a lot of success. This just takes him to another level and is starting to get him noticed nationally. Who knows, sometime in the future we may turn on our TV and see Kane in the Commonwealth Games!

Kane Wilson, (front, second from left.)

### BABY DOLLS:

Over the last two weeks the Year 11 Health classes have been studying babies and the maternal instinct.

As part of the course the students have taken turns in looking after a baby (doll) not just for a day but over a few days and nights.

These high-tech dolls are programmed to sleep, wake up and cry. It has been interesting watching the students return to school bleary eyed because they have had to deal with a crying baby in the early hours of the morning. Like real life, the student's experiences have been dependent on how well the baby has been. Some did not wake up during the night and they have enjoyed the experience.

### FARM ANGELS:

Farm Angels is an organisation that raises money to help farmers. One of their fundraisers Flannel Friday. To help, Kerang Technical High School have participated. It was interesting to see how many students and staff, arrive in a flannel shirt and had a bit of fun. This was organised by the Wellbeing Team through Sharon Champion.

#FLANNOFORAFARMER

Clancy Collins, Ms Champion, Jessie Fay and Jovelle Amistoso just a handful who participated in today's—'Flannoforafarmer'.

### REMINDER: PARENT, GUARDIAN & CAREGIVERS SURVEY

Just a friendly reminder, to those who received a Survey, we look forward to receiving those who have not yet completed them.

We are Currently sitting at 13% at the moment.

Refer back page for further information.

### LOST PROPERTY:

Over the past few weeks, months etc., the General Office has been inundated with found goodies etc .... and we'd really love to off-load to the rightful owners. For e.g. jewellery, drink bottles and school uniforms & jackets and other odds & ends. They do belong to someone. Please seek out and take home. Thanks.

Principal, Dean Rogers

The shared vision of Kerang Technical High School is to provide our students with a quality education for the future in an inclusive and supportive environment.

# KERANG TECHNICAL HIGH SCHOOL

Welcomes Grade 6 students'  
for our upcoming Transition  
Days

**2024  
Speech  
Pathology  
Week**

**Communicate  
YOUR WAY**

**Speech pathologists empower people to communicate their way.**

This might include:

- ◆ using their **voice** to speak
- ◆ aided devices such as **AAC aids and technology**
- ◆ unaided supports like **Auslan and Keyword Sign.**

Speech pathologists study, diagnose and treat communication disorders, including difficulties with speech, language, reading and writing, stuttering and voice.

These university-trained allied health professionals are dedicated to helping people achieve their communication goals, whether it's a child with a developmental language delay, someone recovering from a stroke, or anyone needing support to communicate.

## STUDENT ILLNESS

A reminder to families, as per the Department of Education [Infectious Disease Policy](#) students with cold or flu-like symptoms are required to stay at home until symptoms have passed. Students experiencing vomiting or diarrhoea are to remain at home until there has not been vomiting or a loose bowel motion for 24 hours.

Dear Parent/Guardian

A number of our senior school students are driving or intend to drive to school this year and some have indicated that they intend to carry another student as a passenger.

Despite the fact that most young drivers try to be careful, safety conscious and considerate when driving, research clearly shows that they are at a higher risk of having a serious crash than older, more experienced drivers.

The presence of young passengers also greatly increases the risk for teenage drivers and, the more passengers, the greater the risk.

It is important that all students and their parents/guardians are aware of these risks and the type of behaviour that the school expects from student drivers.

Copies of the school Policy on student drivers and the Parent Permission and Student Agreement Form are available upon request.

The policy outlines the school's expectations and provides information regarding the transport of passengers. Of particular note is that student drivers are not permitted to carry other students as passengers to and from school.

Under the Graduated Licensing System, no more than one peer aged passenger (aged 16-22 years) is permitted to travel with the driver, unless the passengers are siblings of the driver. The school requests that only siblings to travel to and from school with the licensed driver. This is based on research that shows that young drivers carrying several passengers are more likely to engage in risk taking behaviour. For more information, go to:

<https://www.vicroads.vic.gov.au/safety-and-road-rules/driver-safety>

To ensure that all involved are aware of these requirements, student drivers and a parent/guardian are required to sign a Parent Permission and Student Agreement Form.

The form must be signed and returned prior to students using the designated parking area on Burgoyne Street

These requirements are intended to ensure the welfare and safety of students at our school and the local community.

Mr. Dean Rogers  
Principal

# KTHS CANTEEN PRICES—SEMESTER 2, 2024

## 2024 Parent / Caregiver / Guardian Opinion Survey: Sample text for survey announcement

---

### **WE WANT OUR PARENTS / CAREGIVERS / GUARDIANS TO TELL US WHAT THEY THINK!**

Our school is conducting the annual Parent / Caregiver / Guardian Opinion Survey offered by the Department of Education and is seeking your feedback. The survey is designed to assist schools in gaining an understanding of families' perceptions of school climate, student behavior, and student engagement. The survey is optional, but we encourage and appreciate your participation. Our school will use the survey results to assist in identifying areas for improvement and professional development needs in the school, to target school planning and improvement strategies.

The Parent / Caregiver / Guardian Opinion Survey will be open online from **Monday 29 July to Friday 30 August 2024**.

A random sample of parents / caregivers / guardians have been selected to participate in this year's survey.

The survey will be conducted **online**, only takes **20 minutes** to complete, and can be accessed at any convenient time on desktop computers, laptops, tablets or smartphones.

The online survey will be available in English and resources are also available in additional languages to assist parents / caregivers / guardians who speak a language other than English at home. Please reach out to your child's teacher, or the school directly for survey guides in your language.

Survey results will be communicated to parents / caregivers / guardians through annual reporting and the school newsletter. Last year we used the survey results to plan the School Wide Positive Behaviour Program and school incursions.

Please speak to your child's Principal if you would like more information.
